

Safety and Quality Conference: The Deteriorating Patient

Sea World Resort, Gold Coast
6–7 July 2015

Hosted by: ANZICS – Australian and New Zealand Intensive Care Society

Monday, 6 July 2015												
07:30	Registration Opens											
08:45 – 10:00	OPENING PLENARY											
CHAIR:	Angus Carter											
08:45 – 08:50	Welcome and Housekeeping											
08:50 – 09:20	Global Perspective of Rapid Response Teams Michael DeVita											
09:20 – 09:40	Rapid Response Teams in Australia Daryl Jones											
09:40 – 10:00	Rapid Response Teams in New Zealand Alex Psirides											
10:00 – 10:30	Trade Display, Posters and Morning Tea											
10:30 – 12:15	<table border="1"> <tr> <td>Rapid Response Teams and End of Life Care</td> <td>Meet the Experts</td> </tr> <tr> <td>CHAIR: Liz Fugaccia</td> <td>Michael DeVita</td> </tr> <tr> <td>10:30 – 10:50 How common are end of life care RRT calls Li H Tan</td> <td rowspan="4"> Meet the experts – an opportunity for delegates to have their questions answered in order to optimise Rapid Response Teams in their local institution Nursing: Anna Green, Michelle Toppie, Deb Massey Medical: Michael DeVita, Rick Chalwin, John Santamaria Administrative: Sandy Schutte </td> </tr> <tr> <td>10:50 – 11:10 Approach to end of life care and the Rapid Response Team call Imogen Mitchell</td> </tr> <tr> <td>11:10 – 11:30 Are end of life care Rapid Response Team good or bad? Ken Hillman</td> </tr> <tr> <td>11:30 – 11:50 Alternatives for Acute end of Life Care Juli Moran</td> </tr> <tr> <td>11:50 – 12:15 Panel Discussion</td> <td></td> </tr> </table>	Rapid Response Teams and End of Life Care	Meet the Experts	CHAIR: Liz Fugaccia	Michael DeVita	10:30 – 10:50 How common are end of life care RRT calls Li H Tan	Meet the experts – an opportunity for delegates to have their questions answered in order to optimise Rapid Response Teams in their local institution Nursing: Anna Green, Michelle Toppie, Deb Massey Medical: Michael DeVita, Rick Chalwin, John Santamaria Administrative: Sandy Schutte	10:50 – 11:10 Approach to end of life care and the Rapid Response Team call Imogen Mitchell	11:10 – 11:30 Are end of life care Rapid Response Team good or bad? Ken Hillman	11:30 – 11:50 Alternatives for Acute end of Life Care Juli Moran	11:50 – 12:15 Panel Discussion	
Rapid Response Teams and End of Life Care	Meet the Experts											
CHAIR: Liz Fugaccia	Michael DeVita											
10:30 – 10:50 How common are end of life care RRT calls Li H Tan	Meet the experts – an opportunity for delegates to have their questions answered in order to optimise Rapid Response Teams in their local institution Nursing: Anna Green, Michelle Toppie, Deb Massey Medical: Michael DeVita, Rick Chalwin, John Santamaria Administrative: Sandy Schutte											
10:50 – 11:10 Approach to end of life care and the Rapid Response Team call Imogen Mitchell												
11:10 – 11:30 Are end of life care Rapid Response Team good or bad? Ken Hillman												
11:30 – 11:50 Alternatives for Acute end of Life Care Juli Moran												
11:50 – 12:15 Panel Discussion												
12:15 – 13:15	Trade Display, Posters & Lunch											
12:30 – 13:00	Lunch Session ACSQHC											
13:15 – 15:00	<table border="1"> <tr> <td>Rapid Response Teams in the Private Sector and Patient / Family Activation</td> <td>Nursing</td> </tr> <tr> <td>CHAIRS Laven Padayachee</td> <td>Judy Currey and Deb Massey</td> </tr> <tr> <td>13:15 – 13:35 Governance of Rapid Response systems in the Private Hospital Laven Padayachee</td> <td rowspan="3"> ICU Rapid Response Team nurse forum Development of an ICU RRT nurse curriculum </td> </tr> <tr> <td>13:35 – 13:55 Epidemiology of Deteriorating Patients in a Private Hospital Tracey Bucknall</td> </tr> <tr> <td>13:55 – 14:15 Patient and Family Activation of Rapid Response Team Calls Imogen Mitchell</td> </tr> <tr> <td>14:15 – 14:30 Panel Discussion</td> <td></td> </tr> </table>	Rapid Response Teams in the Private Sector and Patient / Family Activation	Nursing	CHAIRS Laven Padayachee	Judy Currey and Deb Massey	13:15 – 13:35 Governance of Rapid Response systems in the Private Hospital Laven Padayachee	ICU Rapid Response Team nurse forum Development of an ICU RRT nurse curriculum	13:35 – 13:55 Epidemiology of Deteriorating Patients in a Private Hospital Tracey Bucknall	13:55 – 14:15 Patient and Family Activation of Rapid Response Team Calls Imogen Mitchell	14:15 – 14:30 Panel Discussion		
Rapid Response Teams in the Private Sector and Patient / Family Activation	Nursing											
CHAIRS Laven Padayachee	Judy Currey and Deb Massey											
13:15 – 13:35 Governance of Rapid Response systems in the Private Hospital Laven Padayachee	ICU Rapid Response Team nurse forum Development of an ICU RRT nurse curriculum											
13:35 – 13:55 Epidemiology of Deteriorating Patients in a Private Hospital Tracey Bucknall												
13:55 – 14:15 Patient and Family Activation of Rapid Response Team Calls Imogen Mitchell												
14:15 – 14:30 Panel Discussion												
14:30 – 15:00	Trade Display, Posters & Afternoon Tea											

15:00 – 17:00	Free Papers	Free Papers
CHAIR	Shane Townsend <i>Deteriorating Patient Research – Patient Epidemiology</i>	Deb Massey <i>Deteriorating Patient Research – Processes of Care</i>
15:00 – 15:15	Futility at the End-of-Life: Where do we Draw the Line for Hospital Admissions and RRS Attendances? Magnolia Cardona-Morrell	The Role of Intensive Care (ICU) with Rapid Response Teams Nellie Boma
15:15 – 15:30	Predicting the Need for Medical Emergency Response in Patients Discharged from ICU at the Alfred Hospital Yen Ng	Pop- Up Simulation: A Program to Recognise the Deteriorating Patient at the Point of Care Robyn Dickie
15:30 – 15:45	Factors Associated with In-Hospital Death Following Medical Emergency or Cardiac Arrest Team Activation Within 72 Hours of Emergency Admission: A Retrospective Cohort Study Julie Considine	Understanding Patient and Family Roles in Triggering Responses to Medical Emergencies Jessica Guinane
15:45 – 16:00	Clinical Consequences of Delayed Discharge from Intensive Care: A Multicentre Prospective Observational Study Ravindranath Tiruvoipati	SEPSIS KILLS - but in NSW we are Working on it! Rosemary Sullivan
16:00 – 16:15	Using Data Mining Techniques to Build a more Efficient Medical Emergency Team Service Christoph Bergmeir	Ryan's Rule: Statewide Patient Escalation Lynette Adams
16:15 – 16:30	Decrease in Paediatric Intensive Care Unit Mortality of Deteriorated Ward Patients is Associated with Rapid Response Team Dose in a Tertiary Children's Hospital Oliver Tegg	The Effect of a Ward Based Clinical Deterioration Intervention and an ICU Critical Care Outreach Service on the Outcome of Unplanned ICU Admissions and Hospital Admissions Samantha Howard
16:30 – 16:45		Development of the Victorian Children's Tool for Observation and Response (ViCTOR) Sharon Kinney
17:00 – 18:00	Welcome Reception	

Safety and Quality Conference: The Deteriorating Patient

Sea World Resort, Gold Coast
6–7 July 2015

Hosted by: ANZICS – Australian and New Zealand Intensive Care Society

Tuesday, 7 July 2015		
08:00	Registration Opens	
08:30 – 10:00	Rapid Response Teams in Specific Settings	Rapid Response Team Syndromes and Training
CHAIR	John Santamaria	Rick Chalwin
08:30 – 08:50	RRT and the Emergency Department Julie Considine	How I Manage a RRT call Alex Psirides
08:50 – 09:05	RRT calls in Sub-acute Care Sandy Schutte	How I manage a RRT Call for a Patient with Respiratory Distress Sam Radford
09:05 – 09:25	RRT calls in the Obstetric / Gynaecological Setting Karen Gould & Brittany Schulze	How I manage a RRT Call for a Patient with Hypotension Russell Laver
09:25 – 09:40	The Introduction of a Recognition and Response System in a Regional Hospital is Associated with Improved ICU Admission Severity of Illness and Length of Stay Russell Gooch	Principles of Non-technical Skills and Crisis Resource Management Sumeet Rai
09:40 – 10:00	Panel discussion	
10:00 – 10:30	Trade Display, Posters & Morning Tea	
10:30 -12:15	Paediatric	Rapid Response Team Training
CHAIR	Ben Gelbart	Alex Psirides
10:30 – 10:50	Evidence of RRT effectiveness in the Paediatric Setting Kevin McCaffery	The Concept of Roles and Goals Daryl Jones
10:50 – 11:10	Tailoring the RRT to Different Settings Brad Ceely	How to Run Team Training Safely Russell Laver / Petra Bierer
11:10 – 11:30	What Metrics Should we Measure Marino Festa	Centralised Team Training Rick Chalwin
11:30 – 11:50	The Place of RRTs in the Overall Approach to Deteriorating Patients Phil Sargent	Team Training on a Budget Sam Radford
11:50 – 12:15	Panel Discussion	
12:15 – 13:15	Trade Display, Posters & Lunch	
12:30 – 13:00	Lunch Session	
	ACSQHC	
13:15 – 14:30	The Afferent Limb	Video Based Performance
CHAIR	Liz Fuggacia	Rick Chalwin
13:15 – 13:30	Adult RRT Calling Criteria Angus Carter	Review and feedback of Two Video Scenarios
13:30 – 13:45	Afferent Limb Failure Arthas Flabouris	<ul style="list-style-type: none"> ○ Intubation ○ A Patient with Septic Shock

13:45 – 14:00	Paediatric RRT Calling Criteria Kevin McCaffery	
14:00 – 14:15	Writing a Quality Improvement Business Case for the Management of Deteriorating Patients Shane Townsend	
14:15 – 14:30	Panel Discussion	
14:30 – 15:00	Trade Display, Posters & Afternoon Tea	
15:00 – 16:50	How to Prevent Rapid Response Team Calls	Rapid Response Team Training
CHAIR	Arthas Flabouris	Alex Psirides
15:00 – 15:20	Why do patients end up getting a RRT call? Josh Allen	Team Training Scenarios
15:20 – 15:50	ICU Liaison Nurse Surveillance is the Key Anna Green	Immersive Team Training Rick Chalwin
15:50 – 16:10	Technology is the Key Michael DeVita	In-situ Team Training Sam Radford
16:10 – 16:30	Early Intervention is the Key Sumeet Rai	
16:30 – 16:50	EOLC Planning is the Key Ken Hillman	
16:50 – 17:00	Conference Close
